

**ASME Nuclear Technical Seminars  
June 22-23, 2009 ~ Atlanta, GA**

**ATTENDEE ROSTER**

<b>FullName</b>	<b>JobTitle</b>	<b>Company</b>	<b>Country</b>
Jeremy Aartun	Senior Structural Engineer	Fluor	United States
Joseph Adams	Senior Engineer	Westinghouse Electric Company	United States
Kevin Aglione	Mechanical Engineer	Enercon Services, Inc	United States
Annemarie Appleton	Vice President/manufacturing	Alloy Stainless Products Co., Inc.	United States
James August	Vice President, Technical Operations	CORE Inc.	United States
Kevin Barber	Engineer	Westinghouse	United States
Richard Barnes	Principal Engineer, Pre-Construction/Proposals	M C Dean Inc	United States
Chakrapani Basavaraju	Mechanical Engineer	U.S. NRC	United States
Soumitra Basu	Affiliate Assistant Professor	Stevens Institute of Technology	United States
Tom Beck	Manager, Mechanical Engineering	Nuvison Engineering Inc.	United States
Timothy Belcher	Business Development Executive	eServ; Perot Systems	United States
Jason Berzansky	Sr. Process Specialist	Hatch Associate Consultants	United States
Andrew Binsley	Sr Director Product Strategy	Oracle	United States
John Bossone	VP-Quality	Westerman Nuclear, LLC	United States
Dhanunjay Boyalakuntla	Affiliate Assistant Professor	Stevens Institute of Technology	United States
Doug Brown	Manager	Sargent Lundy	United States
Mitch Bruhn	General Manager, New Gen Construction	Southern Company	United States
Andrew Butor	Mechanical Engineer	Hatch Associates Inc	United States
Rudolf Butz	Project Engineering manager	Alstom Power Systems	United States
Koce Cenov	Mechanical Engineer	University of Antofagasta-Chile	Chile
Charles Chambers	Asst V P, Director of Pre-Construction	Sachs Electric Co	United States
Gary Clark	Project Manager	Areva	United States
Gary Clark	Project Manager	Areva	United States
Louis Colarusson	Director of Sales, Lenton Americas	Erico International	United States
Craig Cole	Principal	Degenkolb Engineers	United States
Gerard Coleman	Senior Lecturer	Texas A&M University	United States
Chip Colonna	Strategic Planning and Special Projects	Avure Technologies, Inc.	United States
Paul Crooker	Senior Project Manager	Electric Power Research Institute	United States
Giuseppe Cumino	Product Leader	Tenarisdalmine	Italy
Richard Cutshaw	Director Nuclear Quality Assurance	Dynamic Power LLC	United States
Donald Darbonne	Facility Manager	Dynamic Industries Inc	United States
George Deaton	Supervisor, Code Services	Hartford Steam Boiler	United States
John DeBruin	Group Vice President Nuclear Engineering	URS Washington Division	United States
L. William Dixon	Retired Engineer	ABS	United States
Mitch Drewes	Safety Engineer	30th Space Wing, VAFB	United States
Bryan Erler	Vice President	ASME Nuclear C&S	United States

**ASME Nuclear Technical Seminars  
June 22-23, 2009 ~ Atlanta, GA**

**ATTENDEE ROSTER**

Maggie Farah	Engineer	Enercon	United States
Richard Frazar	Vice President Operations Power Division	S & B Engineers and Constructors	United States
Robert Freas	Principal	Exponent	United States
John Goossen	Director, Science & Technology	Westinghouse Electric	United States
Timothy Griesbach	Associate	Structural Integrity Association Inc.	United States
Arne Halterman	Project Engineer	Degenkolb Engineers	United States
John Hammeran	Modularization Manager	Fluor	United States
Louis Hayden	Vice President	ASME Pressure Tech C&S	United States
Pascal Hayes	Structural Discipline Supervisor	Fluor	United States
Jeremy Hensberger	Senior Engineer	Westinghouse	United States
Robert Herbert	Power Industry Manager	MOGAS Industries	United States
Anita High	Mechanical Modification Supervisor	Duke Energy	United States
Pete Hogsden	Construction Manager	Comstock Canada Ltd	Canada
Mitch Hokazono	Mechanical Engineer	Fluor Corporation	United States
Kevin Honath	Engineer	Westinghouse Electric Company	United States
Robert Hooks	Vice President	Sargent & Lundy, LLC	United States
Ryan Hoover	Mech Des Eng	Westinghouse Electric Company	United States
Nicole Hoover	Engineer	Westinghouse Electric Company	United States
Bryan Hubbard	Assistant Professor	Purdue University	United States
John Ingels	Plumbing Engineer	Fluor	United States
Steve Irwin	Engineer	Individual	United States
H. Rolfe Jennings	Technical Marketing Manager	CMC Americas	United States
Bob Jesse	Senior Staff Engineer	Oak Ridge National Lab	United States
Lisa Jessee	Senior Design Engineer	Monogram Refrigeration	United States
Lawrence Jones	Project Manager	H-Y Tech	United States
Gary Jones	President	Jones Partners	United States
Mahesh Kailasam	Industry Lead - Energy	Dassault Systemes Simulia Corp	United States
Dennis Kokesch	QC Manager	DCI Inc	United States
